Work Experience

Mfaz Arabia Professional Consultancies
Architectural Designer
Jeddah, Saudi Arabia (June 2021 - April 2023)

- Led architecture, interior, and landscape projects from concept to construction, ensuring alignment with client goals, regulations, and sustainability standards.
- Produced detailed drawings and 3D models.
- Managed project schedules and budgets.
- Conducted site visits to coordinate with contractors.
- Prepared presentations and reports for clients and stakeholders.

Jabal Omar Development Company
Architectural Intern
Jeddah, Saudi Arabia (June 2019 - July 2019)

- Assisted in the design and planning of the Jabal Omar Development, a large-scale mixed-use project.
- Supported the preparation of design documentation and timeline coordination.
- Conducted site visits to track construction progress and ensure compliance with design intent.
- Collaborated closely with project managers and consultants, gaining hands-on experience in project management and resolving site-specific design and construction challenges.

Sustainable Buildings Engineering Consultants
Architectural Intern
Dammam, Saudi Arabia (June 2018 - July 2018)

- Assisted in the design and analysis of sustainable residential and community facilities, with a focus on energy efficiency and environmentally responsible materials.
- Conducted research on green building practices and integrated sustainable strategies into architectural plans and layouts.
